Modification of the Star Trek Opening

Space, the final frontier
These are the voyages of the USS Burton
It is our mission
To explore and improve our communities
To seek out care, compassion, peace
And new civilizations and persons
To boldly go where no one has gone before

Welcome to the USS Burton. This is our step into the world of Starfleet Command. We want to encourage education, literacy, and acceptance for all according to the motto "Infinite Diversity in Infinite Combinations."

We can't wait to share this journey with everyone. We hope you will join us in this ride of a lifetime.

- ❖ Joining in on the USS Indianapolis Zoom Meeting on 26-Jul-2025

At the inaugural meeting of the USS Burton, we had a fun time talking, getting ideas for other possible meetings and away missions. There was conversation, laughter, and camaraderie. The USS Indianapolis gave the USS Burton a wonderful gift for our inaugural meeting.

The food was great. The atmosphere was nice. The staff was very polite and accommodating. The ship's crew is looking forward to what the future holds for us.
