Ship News

Watching the USS Burton grow has been such an amazing experience. The Facebook group has been more active. Seeing all the posts from everyone is amazing. It is exciting to see how far we have come in just 2 months. WOW! If you have any friends or family you think might be interested in joining the USS Burton on its continuing mission, you can direct them to either the website or the Facebook page.

We want to start getting more involved in the community. We need to find more ways to accomplish this. This could be charity events, conventions, away missions (aka ship-wide outings), etc. We are not limited to Star Trek-only events either. Going to a movie, having a meal, just hanging out around a fire pit, etc. can count. All that matters is that we have fun. If anyone has any ideas, please reach out to Anjala.

We are starting to plan an excursion to Starbase Indy (SBI) in November. Currently, a badge for the entire weekend is \$45 USD. I do not know when the prices will increase. If you want to attend on Saturday only, the badge price for that is \$50 USD. Save \$5 and get a badge for the entire weekend. Purchasing a badge helps support the convention and Starfleet Command (SFC). We can have the annual meeting and promote SFC at the convention by supporting SBI (and InConJunction in July).

Also, SFC will have its annual meeting and awards ceremony. While the USS Burton will not be eligible, as a ship, to receive ship awards (the USS Burton was commissioned after March 1st; the ship will be eligible for ship-wide awards next year), any member who has been a member of SFC prior to March 1st can, also, be eligible to receive individual awards.

Thank you all for your support.

Ship Events/Activities

Two members of the USS Burton attended the USS Indianapolis Meeting on August 9, 2025. We had a blast. Fellowship & laughter were shared. One of our members even won a couple of prizes during the trivia portion of the meeting.

The USS Indianapolis had a donation event on August 23, 2025, to donate items to Hunger, Inc. The USS Burton participated by giving \$75.00 to Hunger, Inc. Thank you to the crew of the USS Indianapolis for helping facilitate the delivery of our ship's donation.

The USS Burton held our monthly meeting at MCL Restaurant and Bakery South Side on August 23, 2025. We had 2 members and 3 guests attending. There was a trivia contest along with spending time with our compatriots from the USS Indianapolis.

In addition to the USS Burton meeting, one crew member of the USS Burton attended a Zoom meeting with the USS Silverwing in the early afternoon, and then another Zoom meeting with the USS Indianapolis on August 23, 2025. There were a lot of good conversations in both Zoom meetings.

For anyone interested in getting into Star Trek but doesn't know the right place to start: There isn't one. Every place you could potentially start is the wrong place. That is the Star Trek experience. The only way to get into Star Trek is the wrong way. There is no right way. Wherever you start, you will find yourself lost, confused, disturbed, unsettled, baffled, and perhaps a bit turned on. This is normal. Congratulations, you are one of us now. I'm so sorry.
